

A STRONG TICKET.

The Lyon County Times thus condones the exceptionally good ticket nominated last Tuesday at Winnemucca:

The Republicans this year have placed in the field one of the strongest State tickets that could have been chosen. It is a ticket, too, that no one can find fault with nor kick against.

For Congressman the name of H. F. Bartine will please all. The gentleman is well known throughout the State as an ardent Republican, and a bright and intelligent speaker and thinker; one also who is posted on all subjects of interest to Nevada. There is no doubt of his being elected by a good majority.

M. A. Murphy, for Supreme Judge, is a wise selection. Mr. Murphy has held offices of honor and importance before, and there is not one who can truly say that he has not performed his duty wisely, honestly and conscientiously. He will make one of the best Judges the State ever had, and will be elected in spite of all that the Democrats can do or say.

The San Francisco Republican says:

This is an exceptionally strong ticket. Mr. Bartine is young, talented and a man of strong energy and push, besides possessing a remarkable gift in oratory. It is a compliment to him that a man possessing such abilities for a legislative position and with such an almost sure chance of success in an election to Congress as Hon. A. C. Cleveland gave way to him. Mr. Cleveland will, however, ably represent the State in casting his vote in the Electoral College for a Republican President.

Judge Murphy has been a District Judge and the Attorney General of the State. He is an able jurist, and is known throughout the State as an honest and conscientious man.

The selections of Delegates to the National Convention could not be more representative of the party or State or made in better judgment.

DEMOCRATIC HISSES FOR HEWITT.

It doesn't speak well for the patriotism of the Democratic party that the name of Mayor Hewitt was greeted with hisses at the New York Democratic Convention. Mayor Hewitt's offense, if offense it be called, consisted in having made a firm and patriotic resolution that the American flag should be the only one displayed over public buildings. He exhibited the back bone of a true American in insisting that the flag which had cost the nation so dearly in blood and treasure was entitled to the first place of honor and respect.

While interfering with no citizen's right to display the flags and colors of any other nation which he chose, he claimed that the only flag which could properly float over a public building was the flag of the Union. For this he has become unpopular with a certain element of the Democratic party and probably is roundly hated and detested by every anarchist and socialist in the land. We repeat that it was not creditable to the decency, self-respect, or the patriotism of the Democratic party to greet his name with hisses in a State Convention.

Esparsette.

Mr. Charles Friend has written to Germany to find out how to spell the name of the new forage plant. It is Esparsette or Turkish Clover. The botanical name is *Anagyris Sativa*.

This is a time spell and it is a plant that will stand any spell of whether hot or dry.

The owner of the theater building at Hailey, Idaho, having become disgusted with the small returns upon the investment, proposed to tear it down and utilize the lumber, if not sold by the middle of June.

A car load of Elko shale has been received here to test in the gas works.

The powder never varies. A marvel of purity, strength and wholesomeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short weight alum or phosphate powders. Sold only in cans. ROYAL BAKING POWDER CO., 106 Wall St., N. Y.
